# PROMARKER®

## ProMARKER® 400PM

When a tough, all-purpose measuring wheel is needed, nothing fills the order like a Rolatape® ProMarker® 400. Its 4-foot circumference handles the toughest measuring and marking needs for heavy construction, large commercial operations, utility companies, land surveying and other critical measuring applications. When measuring and marking demands are tough, the 400PM gets the job done.

### ProMARKER® 400PM APPLICATIONS

- Road Construction
- Telecommunications
- Utilities
- Cabling

## PROMARKER® 400
